News of Interest:

Welcome! GSCCC welcomes its newest stakeholders **Atlas Copco Compressors LLC**, **DF Richard Inc.**, and **AutoFair**. Atlas Copco acquired GreenField Compression, a longstanding GSCCC stakeholder. To find out more about the company visit www.atlascopco.com. DF Richard Inc., a family owned fuel delivery company, has serviced homes and businesses in New Hampshire and Maine for generations. To find out more about the company visit www.dfrichard.com. The AutoFair automotive group owns auto dealerships in New Hampshire and Massachusetts. To find out more about the company visit www.autofair.com.

GSCCC Redesignation update. The GSCCC Advisory Board met again on February 25th to discuss the upcoming redesignation webinar, which will be hosted by the GSCCC coordinator, members of the Advisory Board and stakeholders. The group discussed updating the Coalition's mission statement. Various options will be discussed at the upcoming stakeholder meeting.

If you have suggestions on how our Coalition can better serve its stakeholders, please contact Dolores Rebolledo at 603.271.6751 or dolores.rebolledo@des.nh.gov.

GSCCC Propane Workgroup. The first meeting of the GSCCC Propane Workgroup was held on January 17th. Attendees discussed future projects, including outreach events and a guidance document for fleets to assist in the transition to propane fuel. The next workgroup meeting will be held on **Thursday, April 18, 2013 at 9:30 a.m.** Contact Dolores Rebolledo (dolores.rebolledo@des.nh.gov) if interested in attending.

Funding Opportunity:

Rebates on Shore Power-Ready Truck Idle Reduction Technology. 20% rebates for auxiliary power units with electric standby, battery HVAC systems, and battery evaporative cooler systems. Click [here](#) for more information on the project.
